

design studio specialized in watches & luxury items

Eterna – Contessa collection. Design cosanova

In respect with Eterna's history cosanova designed this new feminine and elegant collection inspired by Art Deco.

Hautlence – fine mechanical watch. Design cosanova / Hautlence

The design of this watch finds its inspiration in the aesthetics of machined engine parts.

Eterna – Kontiki collection. Design cosanova

Design of the chrono and 3 hands dials based on the historical model « Eterna Kontiki ».

Eberhard – “120ème anniversaire” collection. Design cosanova

In order to celebrate the 120th anniversary of Eberhard the studio cosanova designed this new mechanical watch collection charged with character.

Parmigiani – fine mechanical watch. Design cosanova.

Design of a chronograph that bears the DNA of the brand and strong sporty lines.

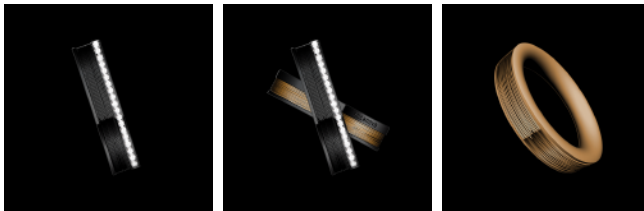

Eberhard – Gilda ladies watch. Design cosanova

Design of the new collection Gilda. The fluid lines of the elliptical case, the harmony of details and originality of the different dials make this collection a jewel for the modern woman.

Fil d'Or (Gold Thread) – contemporary ring. Design cosanova

Elegant design for this simple golden thread ring. Proposed in pink gold or in PVD treated steel set with diamonds.

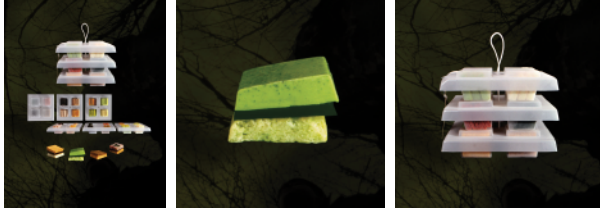

Gooddog – safety bag. Design cosanova

A built-in pepper spray makes "gooddog" the ultimate friend to every woman under threat. This project has been developed under the theme « sexy & secure ».

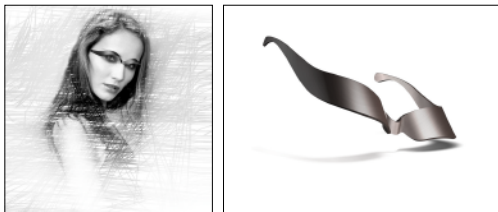

Goya – fine food lunch box. ID Annual Revue Design Distinction. Design cosanova / écal.

In a society where fast food is the norm, Goya proposes to take the time to rediscover flavours, colours and textures. This projects was developed with famous swiss chef Dominique Ruffieux.

Plume – sun visor. 1st prize “Lunetiers du Jura” competition. Design cosanova / écal

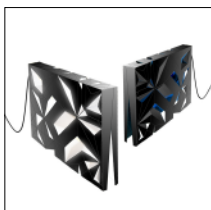

Kosha – High End furniture. Design cosanova

An exceptional piece imagined by cosanova and developed internally taking care at the more subtle aesthetic and ergonomic details. The branding and visual identity have been created by the studio.

The glowing cow – mood light. Design cosanova

Light made out of a folded metal sheet. The shape is inspired by the animal and the cut-outs through which light emanates are based on the folding lines of an origami paper cow.

Moodboard – detail of the studio.

In the studio you'll find a big board on which anyone can pin pictures or items. This patchwork evolves over time and is a constant inspiration for the team.

Claudio D'Amore

Designer HES graduated from "écal" and founder of cosanova.
